## Holiday Home Work

Class II

2017-18

Dear Parents,

Warm greetings. For the past year we enjoyed taking care of your children. Within this time period we shared lot of learning's with each other and due to this they loved to come to school. Now, for next two months they will be spending the vacation with you.

### **Some tips to make the holiday a happy and fruitful period for children-**

- Have at least two meals together and discuss the importance of food and hardwork of the farmer
- Let the child make fruit – salad
- Let him / her visit the grandparents, relatives and collect good memories
- Let your child plant the seed and take care of it
- Allow your child to play outside and observe the nature
- Before going to bed, talk to your child and appreciate him / her for doing the good work
- Share stories about your childhood
- Play some dice games with your child ( ludo, snake / ladder etc. )
- At the end of the day ask your child to list out the work which he / she liked or disliked
- Let your child write about the place where he / she visited
- Let your child make any craft work ( either provide them some loose materials or ask him / her to collect )
- Make your child incharge for filling water bottle daily at home
- Get colourful story books for your child. Let him / her read and learn two new words from it
- Fix a routine for your child and keep him / her away from mobile phone

As parents it is important to invest your time with your child now. Today's investments will yield you a handsome bonus tomorrow. And don't forget to capture each and every moment you cherished with your child  
With good wishes for a marvellous vacation.
