Class III

2017-18

Dear Parents,

Warm greetings. For the past year we enjoyed taking care of your children. Within this time period we shared lot of learning's with each other and due to this they loved to come to school. Now, for next two months they will be spending the vacation with you.

**Lets share some tips to make this period happy and fruitful.**

- Have at least two meals together with your child. Teach him / her the importance and hard work of the farmers and ask him / her not to waste the food
- Take your child to a farm and see the farmer working or show the harvesting of mangoes
- Visit the grandparents / relatives and let your child bond with them. Their love and emotional support is very important for your child's growth. Preserve those moments in the camera
- Set up story time for your child. Motivate your child to read at least 4 story books
- Let your child learn 20 new words in English and list them in his / her vocabulary copy
- 'All work and no play makes Jack a dull boy,' to justify this statement take your child for outdoor plays and physical activities and make him/ her feel fresh and lively. Play different outdoor games and street games with your child and share your childhood memories related to it
- Let him / her learn a folk song
- Set up TV time for your child and decide few TV channels like Discovery, National Geography, Animal Planet and Disney channel. Ask him / her about the learnings
- Let your child make some collage

- Take your ward for outing and give the information about the place and for which thing it is famous as children are very curious to explore
- While travelling by train, take a round with your child, to different coaches and discuss about infrastructure facilities and co- passengers. Research on the luxurious trains in India
- Talk to your child regarding healthy eating habits. Discuss about the nutritional value of the food

As parents it is important to invest your time with your child now. Today's investments will yield you a handsome bonus tomorrow. And don't forget to capture each and every moment you cherished with your child  
With good wishes for a marvellous vacation.
