Some tips to make the holiday a happy and fruitful period for children-

1- Encourage your child to read any one of these discuss it.

- Rusty Runs away – Ruskin Bond

3- While travelling by train, peep into all the types of coaches from general to AC I and talk about the difference in facilities provided.

4- Take help of your child to calculate the monthly bill to be paid to your milkman.

5- Encourage your child to read the newspaper or watch T.V. news and let him / her note down atleast one new word everyday he / she comes across on a write up sheet. Later discuss its meaning.

6- Share stories about your childhood and your family history.

7- Allow your child to help you in working. Let him / her roll chapattis or arrange the dining table and serve food to the family or chop the vegetables.

As parents it is important to invest your time with your child now. Today's investments will yield you a handsome bonus tomorrow. And don't forget to capture each and every moment you cherished with your child
With good wishes for a marvellous vacation.
