Dear Parents,

Warm greetings. For the past year we enjoyed taking care of your children. Within this time period we shared lot of learning's with each other and due to this they loved to come to school. Now, for next two months they will be spending the vacation with you.

### **Some tips to make the holiday a happy and fruitful period for children-**

- Make a daily routine for your child like getting up in the morning physical activities, story time
- Take your child to a park or a garden so, that he / she can play his / her favourite outdoor games. Keep him / her away from T.V and mobile phones
- Involve your child in household activities like arranging utensils, folding the clothes etc
- Tell your child to bring a glass of water for the guests and family members
- Have at least two meals together. So that your ward can learn table etiquettes
- Encourage your child to do drawing. Make paper and crayons available to him / her
- Involve your child in plantation and watering the plants
- Share stories about your childhood to your child
- Read stories to your child
- Use four magical words – please, sorry, thank you and excuse me
- Let him / her take care of pets ( in case you have any )
- Take help from your child in making the bed
- Involve him / her to keep the house clean
- Take help in arranging the dining table before and after the meals

As parents it is important to invest your time with your child now. Today's investments will yield you a handsome bonus tomorrow. And don't forget to capture each and every moment you cherished with your child  
With good wishes for a marvellous vacation.
