Class Nursery

2017-18

Dear Parents,

Warm greetings. For the past year we enjoyed taking care of your children. Within this time period we shared lot of learning's with each other and due to this they loved to come to school. Now, for next two months they will be spending the vacation with you.

Some tips to make the holiday a happy and fruitful period for children-

- Visit the grandparents and let your child bond with them. Their emotional support is very important for your ward. Click snaps with your little ones
- Have at least two meals together with them. Stress the importance of food and table etiquettes
- Let him / her help in household work e.g. laying the table, folding the clothes etc
- Encourage your child to plant seeds
- Read one story everyday to your child
- Make crayons, pencil, chalk, paper available to them for drawing
- Make a daily routine for your child with his / her consent - getting up in the morning, physical activities (indoors and outdoors) story- time, T.V time etc
- Plan a vacation with your child. Take him / her to the park or a garden so that he / she can play his / her favourite game

As parents it is important to invest your time with your child now. Today's investments will yield you a handsome bonus tomorrow. And don't forget to capture each and every moment you cherished with your child.

With good wishes for a marvellous vacation.

Regards
