2. **Read the given supplementary book and write its book review as per the format shown below:**

Name of the book:

Author:

Genre:

Setting of the story:

Characters in the story:

Character you liked the most and why:

Main problem in the story:

Solution:

Conclusion:

Whom would you like to recommend this book and why:

**Note: Do both the work on a project paper and make it creative by making illustrations.**

## **MATHS:**

Your homework consist two parts:

Part A : Creative projects

Part B : Worksheets

---

### **Creative projects**

#### **1. Math in My Home (Observation & Data Handling)**

Activity:

Make a list of 10 items in your home (e.g., fan, fridge, table, bottle, etc.). Measure and record their length, width, or height using a ruler/tape.

#### **2. My Mathematical Recipe Book (Fractions & Decimals)**

Choose a simple recipe (e.g., lemonade, sandwich, salad).

Write down the ingredients with quantities in fractions/decimals.

Double the recipe for a family of 6 and write the new quantities.

#### **3. Geometry Art (Shapes & Symmetry)**

Create a rangoli, mandala, or geometric art using triangles, circles, squares, etc.

Color and label the shapes.

#### **4. Math Diary (Daily Math Reflections)**

For 7 days, write 2 lines each day on where you used or saw math in real life (e.g., time management, shopping, sports scores, TV timings, money).

#### **5. Math Crossword / Puzzle Time**

Design a crossword, puzzle, or Sudoku of your own using math terms like factors, multiples, prime, even, odd, etc. Or solve a math puzzle from a book/newspaper and paste it in your notebook.

## **6. Shopping Fun (Money & Calculations)**

Take a mock budget of ₹500. Create a shopping list from a grocery flyer or online store. Calculate total cost.

### **Submission Guidelines:**

- Present work neatly in a decorated folder or scrapbook.
- Be creative and use colors, drawings, cut-outs, or photos.
- worksheets to be done in math register.
- Submit by: [30-06-2025]

## **SCIENCE:**

**1. Make a Poster on art file paper on the topic "Reducing Plastic Pollution".**

**2. Make an ecobrick.**

**3. Collect atleast 10 kinds of leaves.**

**Press each leaf carefully between pages of a thick book and keep it undisturbed for few days . Next take them out and paste them in a scrap book . Write the names of the leaves and name of the flower and write any 2 characteristics of that plant.**

**4. Make a planter from plastic bottle, colour it and make drawings and grow indoor plants.**

## **SOCIAL SCIENCE:**

Holiday Homework

Class -6

Subject -Social Science

Theme: Locating Places on Earth, Oceans & Continents, Landforms & Life

### **1. Map Work**

#### **A. World Map Activities:**

- On a blank world map, label all 7 continents and 5 oceans. Colour each continent with a different shade for clarity. Mark the Equator, Tropic of Cancer, Tropic of Capricorn, and Prime Meridian. Draw and label the major landforms (mountains, plains, plateaus, deserts) on the world map.

#### **B. India Map Activities:**

- On a physical map of India, mark and label the Northern Mountains, Northern Plains, Great Indian Desert, Peninsular Plateau, Coastal Plains, and Islands.
- On a political map, label any 5 states and their capitals.

### **2. Creative Project Work**

#### **A. Landforms Collage:**

- Collect pictures (from newspapers/magazines/internet) of different landforms (mountains, plains, plateaus, deserts, islands).
- Make a collage and label each landform. Write 2 lines about where each type is found in the world or India.

#### **B. Life on Landforms:**

Choose any one landform (e.g., mountains, plains, desert). Write a short paragraph (5–6 sentences) describing the lifestyle, houses, food, and clothes of people living there.

### **3. Environmental Connection**

#### **My Favourite Place:**

°Draw or paste a picture of your favourite natural place (e.g., beach, hill, park).

Write few sentences on why you like it and how you can help keep it clean.

### **Submission Instructions**

✧ Use A4 sheets for all work.

✧ Paste/draw neatly and label everything clearly.

Submit your work in a folder with your name, class, and section.

✧ Enjoy your summer vacation while exploring the world through maps and creativity!

**Art and craft ---1-Draw two sketches in your art file.  
craft work has to be made related to your project topic with waste material .  
complete class work has to be completed in your art file .**

**2-one**

**3- In**
