BUSINESS STUDIES:

Answer the following questions in your assignment copies-

1. Why is it claimed that management principles are “primarily behavioural” and “contingent” in nature? Also, describe how management principles “helps in intelligent decision-making” and “provides managers with important insights into reality.”
2. Suresh works in a bulb manufacturing company. Each bulb which is manufactured is of standard size and quality. Further if there is any unrequired type of bulb manufactured then its production is stopped. Last month when the company came to know that 10-watt bulbs were no more liked by customers, their production was stopped. He works in the purchase department. His job is to purchase the filaments required to make bulbs. This time when he purchases the filament, he gets the instruction from the seller that some special care needs to be taken in the first hour of fixing the filaments inside the bulb. Suresh knows this information should be given immediately to the production department before the assembling process starts. However, he finds that his company’s policies only allow him to give the message to his immediate boss who will further pass this message to his boss. The passing of this message will continue till it reaches the desired person in the production department. Which technique of management is followed here? Also name the principle of management followed here by the company? Which option is now available to

Suresh since the company is not allowing him to interact with the concerned worker in the production department

Q3. Shreya Ltd has been awarded recently with the 'Best Employer of the year award'. The Company has believed in the ideas and suggestions of its employees. There is systematic dispersal of Decision making at all levels. There is no delay in delivery of orders to customers due to prompt decisions taken by employees. A) Identify the concept of Management followed by the Company. B) Explain the Concept.

Q-4. Ms. Ritu and Mr. Mohit are Data Entry Operators in a company having the same educational qualifications.
