

CLASS VII

Hindi

1.संवाद लेखन

“दो दोस्तों के बीच बातचीत – ‘कैसे बिताई गर्मी की छुट्टियाँ’(प्रोजेक्ट पेपर पर)

2. मेरी छुट्टियों की डायरी (5 दिन)

हर छात्र को छुट्टियों के 5 खास दिनों की डायरी लिखनी है।हर प्रविष्टि में दिन, स्थान, भावनाएं और अनुभव शामिल हों। चित्र भी बनाएँ । (प्रोजेक्ट पेपर पर)

3.परियोजना से जुड़े शोध कार्य पर रचनात्मक लेख प्रोजेक्ट पेपर पर ।

ENGLISH:

1. Research on the given project sub-topic and do any one of the following activities based on it:

Compose a poem/ take an interview/ crossword puzzle/ riddles/ picture story/ autobiography/ story writing/ conversation between two persons or things

2. Read the given supplementary book and write its book review as per the format given below:

Name of the book:

Author:

Genre:

Setting of the story:

Characters in the story:

Character you liked the most and why:

Main problem in the story:

Solution:

Conclusion:

Whom would you like to recommend this book and why:

Note: Do both the work on a project paper and make it creative by making illustrations.

MATHS:

1. Prepare for Monday Test(Syllabus- Integers, Fractions and Rational Numbers)

2. Solve the worksheet.

Section A to be done in the worksheet and Section B to solve in your Math register with proper process.

3. The Great Number Hunt:

Concept: Exploring numbers in their environment.

Project: Students go on a "number hunt" in their homes, neighborhoods, or even while watching TV. You need to find examples of different types of numbers you've learned (e.g., fractions in recipes, decimals on price tags, integers related to temperature or floors in a building, ratios in mixing ingredients).

Presentation: You have to present your findings in a scrapbook with pictures or drawings, a poster, or even a short video. You should explain what each number represents and why it's that type of number.

SCIENCE:

- 1. From newspaper and magazines, find out new eco-friendly technologies used for water treatment. Make a collage on art file paper and paste the cutouts.**
- 2. Take a print out of the worksheet sent in your group. Solve the questions given in the worksheet.**
- 3. Make an ecobrick.**
- 4. Make a comic strip in art file paper on the topic ' Saving water'.**

SOCIAL SCIENCE:

Holiday Homework

Class- 7

Subject-SST

Chapter-1 Tracing Changes Through a Thousand Years (History)

Map Activity:

Mark major dynasties (Cholas, Mughals, Guptas, etc.) on a blank map of India and show where new technologies (like Persian wheel, spinning wheel, firearms) appeared.

Short Report:

Write 150–200 words on how new foods (potatoes, chillies, tea, coffee) and technologies changed Indian society during 700–1750.

Interview:

Ask an elder about a festival or custom that has changed over time. Write their response in 4–5 sentences.

Timeline Poster:

Make a poster showing 5 major changes (social, political, or religious) from 700 to 1750.

Chapter-1 Environment (Geography)

News Collection:

Collect 1–2 news articles about environmental changes (climate change, deforestation, pollution) in your area. Write a short paragraph on their impact.

Research & Chart:

Find out how climate and vegetation changes affected Indian history (like monsoon and agriculture). Make a simple chart linking climate, agriculture, and rise/fall of kingdoms.

Action Steps:

List 5 things your family can do to protect the environment at home or nearby.

Chapter -1 On Equality (Social and Political Life/Civics)

Survey:

Ask 3 people what equality means to them. Write a short summary and your own view in 4–5 sentences.

Case Study:

Write a paragraph about an Indian personality who worked for equality (e.g., Dr. B.R. Ambedkar or Savitribai Phule) and how they inspire you.

Poster:

Make a colorful poster with the theme "Equality for All" and a slogan.

Instructions:

Use A4 sheets for all work.

Paste/draw maps and posters neatly.

Submit your work in a folder with your name, class, and section.

Art and craft.....One craft work has to be made related to your project topic with waste material.

2-Do one colourful Folk art (from different states) in your art file painting size 7/9 inch.

3-In complete class work has to be completed in your art file.
