

Education Leadership Programme

3rd -12th January, 2018

Conducted by:
**Jingle Bell Nursery School
Society, Faizabad**

Educational leadership has a critical role in the evolution of society. Effective leaders are the key to its effective transformation. Educational leaders are faced with the demands of a rapidly changing global environment. Along with the widespread belief that the quality of leadership makes a significant difference to student outcomes, there is also increasing recognition that effective school leaders and managers have to be developed for providing the best possible educational experience for their learners. It seeks to explore an understanding of quality education and the critical challenges to it in the current global situation. The task of preparing future citizens is becoming increasingly complex and daunting and requires the skills of leadership and attitude for lifelong learning. This programme aspires to enable sustainable leadership through receptive learning and change to deliver optimum quality.

About the programme:

Content:

The Programme focuses on following three crucial areas of leadership dealing with significant, outcome-oriented factors.

- Facilitative Leadership
- Instructional Leadership
- Institutional Leadership

Methodology:

A judicious mix of lectures, case discussions, experience sharing, simulations and role playing shall form part of the methodology.

The participants would develop an action plan for implementation at the end of the program.

The Participants:

The participants of the workshop shall be principals, owner managers, coordinators and senior teachers of the schools desirous of sharpening their leadership skills and competencies committed to enhancing their individual performance levels and capable of transmitting their knowledge, attitude and skills to others for sustaining the institutions they represent.
