Proceedings

Welcome

The Chairperson welcomed all the members present in the meeting.

Confirmation of minutes of previous meeting

The Chairperson enquired about receipt of minutes of the previous meeting held on 9th, October, 2020 and the action taken report which were already sent to the members in advance. The members confirmed the receipt of the same.

The members being satisfied with recording of minutes and the action taken report, the same was confirmed by the Chairperson.

Progress report of the 2nd quarter and some photographic glimpses

The progress report was sent to the members in advance, as stated above. The members expressed their satisfaction over the progress during the quarter.

Feed-back and Suggestions

The feed-back about the activities of the 2nd quarter and suggestions for further improvement were as follows:

Nursery to UKG

- Children are getting bored and are eager to attend the school
- **Madam Director told the parents that we also want to call the children but as we have to adhere the order of the government and will be able to call after their consent**
- **Members were further asked to accompany their children in civil dress and to bring them for some time to play**

Class I and II

- Members appreciated the effort of the teachers. They further complimented the activities taken by them to make the children happy at home

Class III

- Members appreciated the videos sent by the teachers
- Children need practice in composition writing
- **Madam Director assured that a special programme on writing will be taken up**

Class IV

- Members said that the teachers are handling the children patiently
- Children have become addicted to mobile after studies they play lot of mobile games. Value classes to be taken up to guide the children to use the mobile in a productive way. They can see videos on science experiments and model making.
- **Madam Director said that the counselor will take the session with the children to direct them for constructive use of mobile**
- Reading habit to be inculcated
- **Madam Director informed that on weekend the story books are given to read. On Monday the teachers take activities based on it**
- **Parents are also authorized to issue the books from the Resource Centre**

Class V

- Parents appreciated the way of teaching. They further said that children are busy with the mobile and have less concentration. The only way to bridge up the gap will be physical classroom studies
- They further suggested that instead of sending the children to class VI in April they could continue class V till 15th May. This will enable them to have a grip on the concepts and proper drilling will be done
- **Madam Director welcomed the suggestion and said that we will work on it and inform the parents. Only the fee payment of class V to be done in April**

Cala Lily

- When children were coming physically they were very happy and did the work regularly
- Parents requested to call the children for the whole day
- **Madam Director told the parents to send their wards**

- It was discussed that the session 2020-21 can be continued till 15th May
- **Madam Director informed that health assessment of all the children will be done once they will come to school. Their analysis will be done and the help of dietician and doctor will be taken for the same**
- **Madam Director informed the parents about Roots and Shoots programme. The contribution of Jane Godall the UNO ambassador for the work of environment. This programme started in India 2 years back. Ms. Shweta will open her head office in JBNSS.**
- **Perennial Garden will be taken as an impactful project in Jingle Bell School**
- Members were briefed about INTACH and were told that the NGO is working for saving the culture and heritage. The activities of Ayodhya chapter of INTACH are going on
- If any member is interested they can contact Piyush Raheja at the head office

Conclusion

There being no further points, the meeting ended at around 11:00 a.m. .
